

How to Link Your Referral URL to Specific Content Pages

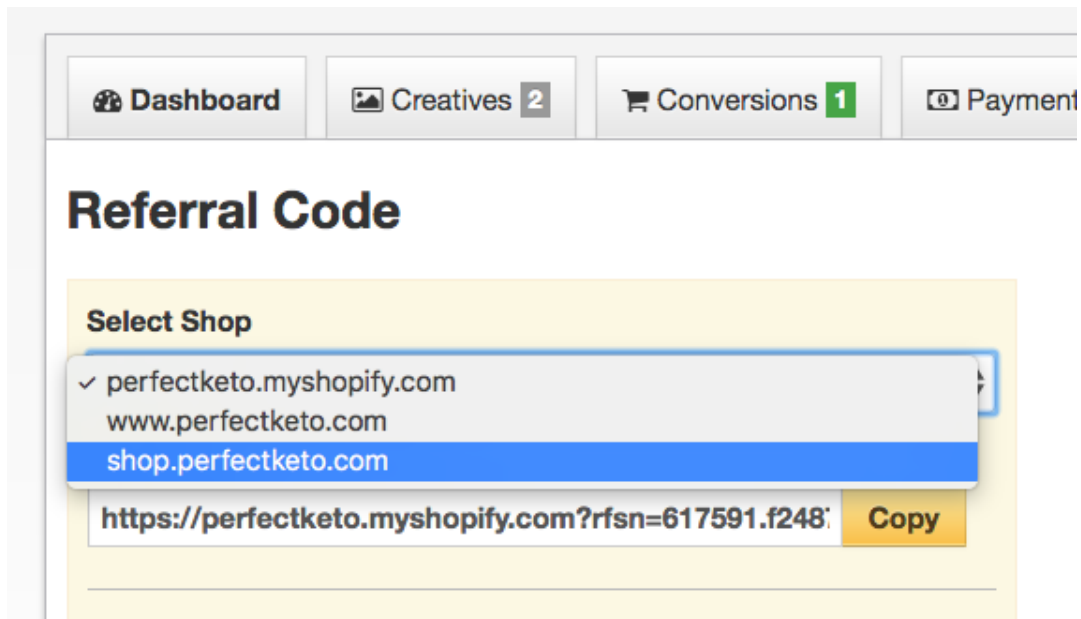

Rather not read? [Here's the Video Guide](#).

Step 1: Login to your Refersion Affiliate Dashboard at:

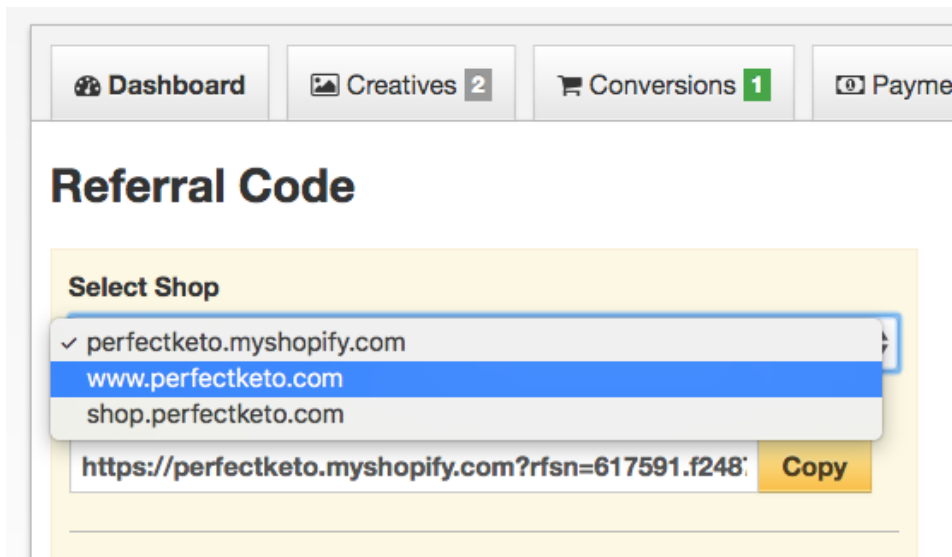

<https://perfectketo.refersion.com/affiliate/login>

Step 2: On the Dashboard tab

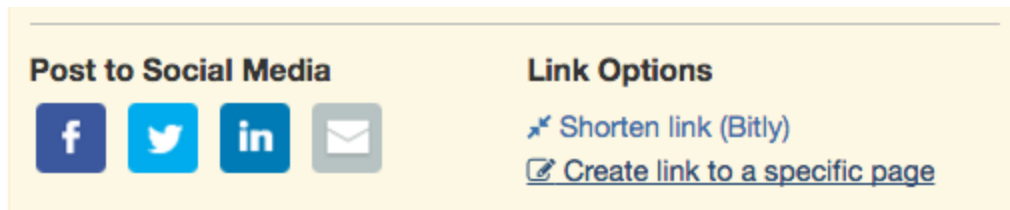

- a) If you are linking to a product page, select shop: shop.perfectketo.com

- b) If you are linking to a non-product page (ie. blog post, recipe, landing page), select shop: www.perfectketo.com

Step 3: Click "Create Link to a Specific Page"

Step 4: Input the URL of the page you wish to attach your link to:

New Custom Link ×

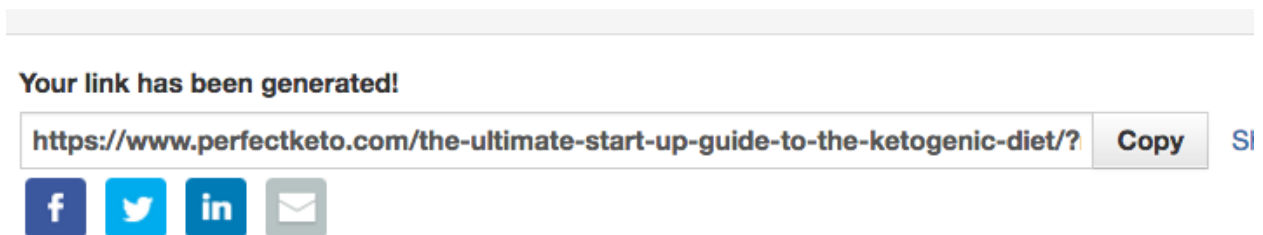

Enter destination page URL

Your custom link must begin with an approved domain directing to this merchant.

Close Create Link

Step 5: Click: Create Link

Step 6: Save this link and share it wherever is best for you! :)

The End
