Creating an Account & Affiliating to Share Opportunities

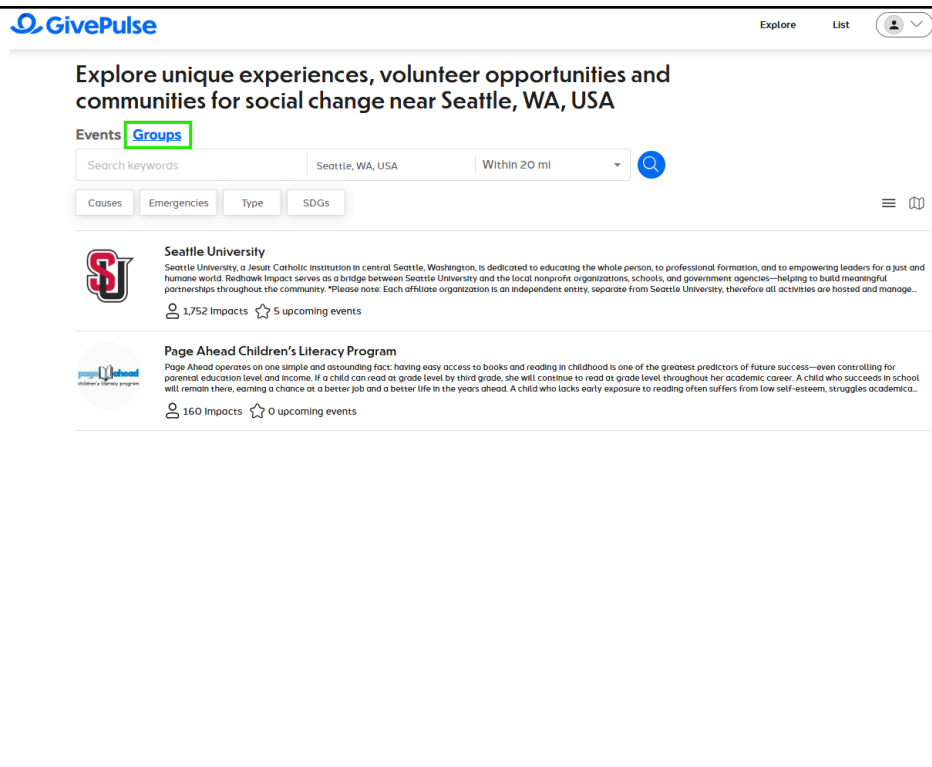

About: Redhawk Impact (powered by Give Pulse) is Seattle University’s website for engaging with the community through our partners like you! - Redhawk Impact link - General Give Pulse link (non-Seattle U branded but works just the same)	
---	---

Step 1:

[Search for your organization here](#) to see if a profile already exists and needs to be reclaimed.

If you find one for your organization you will email, support@givepulse.com or howardlauren@seattleu.edu with your name, contact info, and a link to the organization's profile page to reclaim/update the account.

Once complete, follow the steps under "[Log in & go to your Organization's Profile](#)".

Seattle University
Seattle University, a Jesuit Catholic institution in central Seattle, Washington, is dedicated to educating the whole person, to professional formation, and to empowering leaders for a just and humane world. Redhawk Impact serves as a bridge between Seattle University and the local nonprofit organizations, schools, and government agencies—helping to build meaningful partnerships throughout the community. *Please note: Each affiliate organization is an independent entity, separate from Seattle University, therefore all activities are hosted and managed by the affiliate organization.

Page Ahead Children's Literacy Program
Page Ahead operates on one simple and astounding fact: having easy access to books and reading in childhood is one of the greatest predictors of future success—even controlling for parental education level and income. If a child can read at grade level by third grade, she will continue to read at grade level throughout her academic career. A child who succeeds in school will remain there, earning a chance at a better job and a better life in the years ahead. A child who lacks early exposure to reading often suffers from low self-esteem, struggles academically.

Step 1 B

Step 2:

In the bar at the top of the page you can quickly go to your organization by clicking **"Manage"**

OR

by clicking the profile icon, selecting **"Dashboard"**.

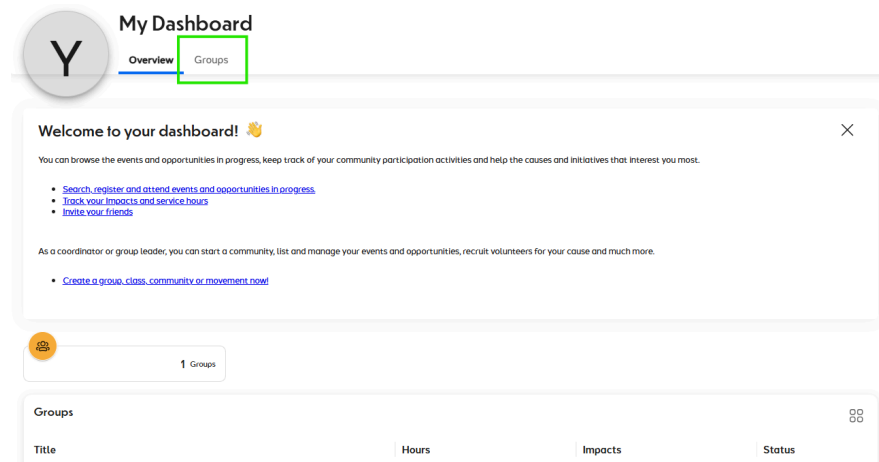

OR

Step 3:

If you select **"Dashboard,"** the landing page shows a snapshot of groups (organizations) you manage.

Other tabs will generate and display events, registrations, and your personal impacts.

Step 4:

You'll land on your organization's public page or it's admin view page.

- On the public page [image: **Step 4A**], click the blue **"Manage"** button, then **"Dashboard"** on the left to access admin side.
- On the admin page [image: **Step 4B**], click **"View Public Page"** to return.

The image shows two screenshots of the REDHAWK IMPACT interface. The top screenshot is the public page for 'LH's Test Organization'. It features a red header with 'REDHAWK IMPACT' and navigation links 'Explore', 'Manage', and 'Activity'. A left sidebar contains links like 'Dashboard', 'Manage Users', and 'Add User'. The main content area includes an 'About' section, 'Opportunities' with a search bar, and sections for 'Administrators' and 'Location'. A blue 'Manage' button is highlighted with a green box and an arrow. The bottom screenshot is the admin dashboard for 'LH's Test Organization'. It has a red header with 'REDHAWK IMPACT' and navigation links 'Explore', 'Manage', and 'Activity'. A left sidebar contains links like 'Manage', 'Edit Group', 'View Public Page', and 'Customize'. The main content area includes 'Alerts', 'GivePulse Alerts', 'Point Leaders', and 'Recent Activity'. A green box highlights the 'View Public Page' link in the sidebar.

Step 4:

There are a few ways to verify impacts, depending on your preference:

One way is similar to viewing “**matched professors/courses**”, where you can see all Seattle U student volunteers or filter by class [Image: **Step 4A**].

Another is by clicking “**Manage**,” selecting your organization, and choosing impacts from the admin page’s left menu [Image: **Step 4B**].

Notifications Management

Step 1:

To change email notifications, select the profile icon in the top bar, then click **Account.**

Step 2:

At the bottom of your account page you can update your email and opt in/out of general email messages.

*More info on notifications:
[Support-Opt-Out-of-Emails](#)

Step 3:

Another way to customize notifications is on any Admin page.

Go to **“Users” > “Manage Users”** to toggle email settings for that group.

Step 4:

Find your name/email on the list, then use the dropdown in your row to choose daily, weekly, or no emails for your organization, class, or event admin page.

Step 2:

Quick instructions for mobile:

To view:

- **Registrations:** Who's showing up today?
- **Impacts:** Students' hours submitted after a shift.

Tap the profile icon in the top right, then select “**Manage**” > “**Events**.”

Click the link(s) with “Seattle University” in the event column to see all registrations/impacts. Links with class names show info for that specific class only.

Step 3:

Click the admin dropdown, select **“Registrations”** then **“Manage Registrations.”**

Filter the **“Date”** column to today to see who’s signed up to volunteer.

*See the [full registration instructions](#) above for more.

The screenshot displays the GivePulse administrative interface. At the top, there's a 'Support Center' and 'QR Code' button. Below is a blue bar with 'Administrative Links' and a dropdown arrow. A warning message states 'This is a template.' Below this, a section titled 'A few people you will meet...' shows a profile card. The main section is 'Manage Clones', which includes a warning: 'This template shares its 30 registration positions amongst all of its clones. Once all 30 positions are full, registration will be closed.' Below this is a table with columns: Clone, Group, Organizer, Created, and Registrations. The table has two rows, both for 'Yes Farm-Placement-Fall-2025'. The first row is for 'Ethical Reasoning (2900) - Section 03' and the second for 'Our Common Home (3400)'. A yellow box highlights the 'Clone' column. To the right, a dropdown menu is open, showing options like 'Dashboard', 'Edit', 'View', 'Duplicate', 'Clone', 'Manage Clones (2)', 'Users', 'Registrations' (highlighted), 'Impacts', 'Invites', 'Notes', 'Tags', 'Documents', 'Audit Log', 'Cancel', and 'Delete'. Below the table, the URL 'seattleu.givepulse.com' is visible. A second screenshot shows the 'Registrations' page. It has a left sidebar with 'Duplicate', 'Clone', 'Manage Clones (2)', 'Users', 'Registrations' (selected), 'Impacts', 'Invites', 'Notes', and 'Tags'. The main area is a table with columns: User Full Name, Event Name, Shift, Email, Start Date, and End. The 'Start Date' column is highlighted with a green box. The table contains three rows of data for 'Sundborg Center For Community Engagement'.

Step 4:

From the admin dropdown, select **“Impacts”** then **“Manage Impacts”** to verify student impact hours individually or in bulk.

You can also click **“Manage”** then **“Impacts”** from the homepage for a quick view of recent submissions.
