- <http://www.equestriadaily.com/2013/05/yahoo-parenting-ponies-included-in-list.html>
- In a recent article on Yahoo Parenting, they have listed down “6 Newly Sexualized Kid's Toys From The '80s” and My Little Pony was included in one of them.

It started with “Jessie Knadler” (the writer for the article) reading, that the board game “Candy Land” has gotten a makeover. In the recent makeover, some of the iconic characters were too sexy.

She then listed down 6 toy characters from the '80s that have gotten the “sexy makeover”. Those characters are:

- Candy Land: Queen Frostine
- Candy Land: Princess Lolly
- My Pretty Pony
- G.I.Joe
- Malibu Ken
- Exercise Barbie

The quote she uses for My Pretty Pony was: *“The first generation of My Pretty Ponies were plump and rather staid... Not so in 2013. This sleek and sexy pony looks primed to prance around the stripper pole at the nearest jockey club.”*
