

Restore Our STRS Board–Take Action Now

HB 719 would restore STRS contributing and retired member seats to the STRS Board while eliminating the additional appointments that HB 96 gave the legislature and executive branch of the Ohio government. Rep. Hoops, the bill's sponsor, has given first hearing in the Ohio House Public Insurance and Pensions Committee. We need more hearings for this bill to become law.

Call your State Representative now and tell them to support HB 719. We must show the urgent need for this bill and our support, so call now.

Thank you Representative Peterson for giving HB 719 a first hearing where Rep. Hoops outlined the importance of the bill. I call today to ask that you hold a second hearing so educators like myself have the opportunity to testify and share why restoring our voices to our retirement board is important. Thank you!
