To Parents & Guardians of our English Learner Students:

In accordance with the *Every Student Succeeds Act (ESSA)* of 2015, each EL student is required by the Hawaii Department of Education to complete English proficiency testing every school year, regardless of their learning format (100% digital, face-to-face, hybrid etc.).

We are assigning each student a scheduled time to be on campus to complete their annual WIDA progress testing. We ask that you please view your child's name and test dates below, and add these dates and times to your family calendar. **It is important that your child is physically present on campus during his/her/their scheduled test times. All testing will take place in room P-9.** We will be following Department of Health safety protocols to ensure the well-being of each student.
