

Hello Jazz,

I found you through Facebook and I noticed how well your website is built.

But there are a couple of tricks like making your subject line more engaging or price adjustments that could bring you more sales and also help more of your customers.

That is why I contacted you.

I help businesses attract more customers by building stronger connections with them.

I made you a short email opt-in so more people will subscribe to your newsletter and you can grow your audience

If you are interested in trying it out or simply reading it contact me with an easy short message.

Here is my website: <https://kostalmarketing.com/>
