## Author Declarations

1. The manuscript submitted is an original work and **has not been published previously nor is it under consideration for publication elsewhere**.
2. All authors have made significant contributions to the research and approve the final version of the manuscript.
3. The manuscript complies with accepted standards of **publication ethics and research integrity** (COPE Guidelines).
4. All sources have been properly cited and referenced in accordance with academic standards.
5. The manuscript has been checked for plagiarism and does not contain plagiarized material.

## AI Use Disclosure Policy

In accordance with the COPE Position Statement (2023), AI tools cannot be listed as authors under any circumstances. Authorship implies the capacity for accountability, consent, and intellectual contribution—criteria which AI tools do not fulfill. Therefore, all named authors must be human individuals who meet established authorship requirements. Authors are wholly responsible for the content and integrity of their manuscripts. Even when AI tools are used to assist in writing or other tasks, authors must ensure the accuracy, originality, and appropriateness of the final submission. Authors are expected to verify that AI-generated content does not contain hallucinated references, incorrect scientific claims, biased interpretations, or plagiarized text. Misuse of AI tools, including submission of entirely or largely AI-generated papers without human oversight or disclosure, will be treated as unethical conduct in accordance with COPE guidelines and *Journal of Event, Travel and Tour Management (JETT)* **Artificial Intelligence Policy.**

**Failure to disclose AI usage may be considered a breach of ethical publishing standards and could result in rejection or retraction of the article**.

## Copyright Terms Agreement

By signing this agreement, all authors confirm they have read, understood, and agree to the following terms **Copyright and License** for publication in *Journal of Event, Travel and Tour Management (JETT)*:

1. Authors retain copyright of their original work.
2. Authors grant Journal of Event, Travel and Tour Management the right of first publication of the work.
3. Authors grant the work a Creative Commons Attribution-ShareAlike 4.0 International License (CC BY-SA 4.0), others may share, adapt, and build upon the work for any purpose, including commercially, as long as they:
   - Credit the authors and initial publication in *Journal of Event, Travel and Tour Management (JETT)*
   - License new creations under identical terms (ShareAlike).
4. Authors may enter separate contractual arrangements for non-exclusive distribution of the published version (e.g., institutional repositories, book chapters) with acknowledgment of initial publication in this journal.

5. Authors are permitted and encouraged to post their work online (preprints, institutional repositories, personal websites) before, during, and after publication to increase citation impact.

## Withdrawal and/or Retraction

Authors are discouraged from withdrawing submitted manuscripts after it is in the publication process (review, copyedit, layout, etc.,). During the time, *Journal of Event, Travel and Tour Management (JETT)* had spent valuable resources besides time spent in the process. Should under any circumstances that the author(s) still request for a withdrawal, the author(s) should pay back every effort put into the manuscript processes. Paid upon official request from the author(s) in an email sent to the editor using the same email address used in correspondence. Editors shall consider retracting a publication if:

1. They have clear evidence that the findings are unreliable, either as a result of misconduct (e.g. data fabrication) or honest error (e.g. miscalculation or experimental error).
2. The findings have previously been published elsewhere without proper cross-referencing, permission or justification (i.e. cases of redundant publication).
3. It constitutes plagiarism.
4. It reports unethical research.

## Conflict of Interest Declaration

The corresponding author confirms that all authors have disclosed any financial, personal, or institutional relationships that could be perceived as influencing the research reported in this manuscript.
