

“Feed My Starving Techs” Football Dinner Sign-up

Hey Parents! (and Grandparents, Cool Aunts, etc.)
Each week at Football, we team together to provide a yummy meal for our crew.
The kids are on-site from 3pm till 11:30’ish, so we build in some time in our production schedule for a meal together.
Can you help? Consider signing up for a week (or more!)

- Details:**
- We provide drinks, plates, napkins, and silverware.
 - We just need you to provide the entree and maybe a side, and it’s wonderful if you bring dessert.
 - You are welcome to donate the food But we can pay for it if you’d like us to. Just give us the receipts and we can refund you.
 - There’s usually a crew of between 12 and 18 people (We usually have a pretty good count the night before)
 - We’re slated to eat at about 5:15 (This time gets slid back often if we aren’t ready)
 - There are a couple people that are allergic to peanuts, so please avoid those. (The peanuts, not the people).
