

Alumni!

If you would like to earn an *agnomen*, you must meet all of the following requirements in the course of one school year. **It is your responsibility to send evidence of completion to Magistra Meyer for approval via email.**

- Have at least five “A” grades (90-100) on quizzes, tests, or projects in Latin
- Complete corrections at least five Latin quizzes/tests (*if you’re unable to meet this requirement because they’ve all been perfect scores, indicate that on your Google doc when you submit evidence*)
 - If you cannot do this for credit with your HS Latin teacher, you should still do this for practice and for the agnomen.
- Submit an item for the virtual “Roma Vivit” board (instructions [here](#))
- Submit a meme for our meme box (instructions [here](#))
- Provide evidence of having helped a classmate in their Latin coursework (with signature of that person and clear description of what happened)
- Provide evidence of having helped improve the classroom environment
 - This can be a witness statement from a classmate or HS teacher
- Write a “Roman Moment” card that is **researched** and engaging. You have 50 total famae to work with on your card.

Collect your evidence on a single Google doc and share it with Magistra Meyer via email (susan.meyer@da.org).
