

Liam Moleta

Oahu

Biography:

“It is safe to say that our world, today, has grown apart now, more than ever. Separation has been normalized, and the end to all of this is unclear. But rather than focusing on the end, Liam chooses to focus on the opportunity that this separation has presented; the opportunity for new beginnings; the opportunity to be together again, and keep it that way! His mission has always been to unite people of all backgrounds, and he does just that with his vulnerable approach to music, his captivating voice, and his intimate-acoustic guitar style. Liam deems self-love and acceptance as the number one step toward togetherness and therefore influences his listeners to look deep within first. His third single release, “Home,” documents his journey toward acceptance and was ultimately released to encourage anyone learning to accept the present moment to continue. A Hawaiian artist with a passion for shifting today's reality, Liam Moleta is dedicated to reflecting and showing off the true beauties that lie within each and every one of us, in hopes for us never to know separation again.”
