## STUDY BLOCK APPLICATION FORM 2025-2026

Vancouver Technical Secondary School values a broad-based education in which the students study a variety of different disciplines in order to gain a better working knowledge of themselves and the world around them. Accordingly, students at Van Tech are encouraged to be enrolled in a complete and balanced educational program to prepare them for a lifetime of opportunities, challenges, and change.

Students in Grade 12 may apply for a Study Block. The following factors determine applicability:

- Overall course load.
- School citizenship, attendance, and behaviour.
- Additional external course offerings, online classes, and other considerations.

Students on a Study block are expected to be in one of these three areas.

1. Be quietly studying in the library.
2. Be quietly studying in the cafeteria.
3. Be off-site with family permission.
