CTC Identified Criteria for Mentor Selection

Criteria

1. Assign a qualified Mentor, who meets CCTC identified criteria, to each eligible Candidate within 30 days of the Candidate's enrollment in the PROGRAM. Qualifications for Mentors must include, but are not limited to:

   a. Mentors must hold a Clear Credential which is a match to that of the Credential Candidate (exceptions are made for Career Technical Education).

   b. Mentors must have three or more years of effective teaching experience.

   c. Mentors must have knowledge of the context and content of the Candidate's teaching assignment.

   d. Mentors must demonstrate commitment to professional learning and collaboration.

   e. Mentors must have the ability, willingness, and flexibility to meet the Candidate's needs for support.

   f. Mentors must have the availability to attend all professional learning required. g. Mentors must possess basic computer skills (e.g. word processing, web navigation, email, and file downloads/uploads).

   g. Mentors can not be related to their candidate

Access to Technology

1. Mentors must have access to a personal or district-issued computer and internet connection to complete online weekly documentation of services provided to the Candidate.

Enrollment

1. Notify the PROGRAM of the Mentor selection via the District Enrollment Form and provide Mentors access to the PROGRAM enrollment web page as soon as possible.
