

I was wondering if the bullpen that was having a hard time would stabilize, The starting lineup as a filial son, on the verge of collapse, on the verge of a 7-game series of death expeditions

The 2023 KBO League match between the KIA Tigers and the Samsung Lions was held at Samsung Lions Park in Daegu on the 20th. Samsung Buchanan and Widener are watching the game.

As the bullpen stabilizes to some extent, this time the starting lineup, which used to be a good son, is out.

Samsung Lions mound offbeat. The upward momentum has been stopped. It's a sad situation.

It was a time when the bullpen, which had been chronic. In particular, at a time when closer Oh Seung-hwan was cheering up with 10 saves in August, the starters failed one after another. It's an injury or a slump.

Ace David Buchanan started with neck and back bile. This is not the first time.

His physical condition has been unusual since August. There are frequent large and small masks. A pattern of throwing a lot of balls and then getting sick on the back.

On the 4th, he showed his fighting spirit to the end of the 7th inning despite the hand cramps against LG in Daegu.

In the match against LG in Daegu on the 16th, he complained of neck pain after the second inning and was substituted early.

He was able to take the mound against Hanwha in Daejeon on the 22nd due to his rapid improvement in gallbladder symptoms, but he felt it again and had to filter out the starting lineup scheduled for the 29th. Samsung manager Park Jin-man said, "He is active like a player who has no problem at all in the accommodation. "If it's okay, I'll post it on Sunday (against NC on

the 3rd)." Buchanan finished bullpen pitching safely on the 1st and gave a green light to his return to the game on the 3rd.

The 2023 KBO League match between the LG Twins and the Samsung Lions was held at Samsung Lions Park in Daegu on the 16th. Samsung's Buchanan is being replaced by complaining of physical abnormalities ahead of pitching in the top of the third inning.

Left-hander veteran Baek Jung-hyun also left on the 31st, complaining of elbow discomfort.

On the 30th, two days before the start of the Daegu NC match on the 1st, he played 40 to 50 bullpen pitches in the rain, but he felt uncomfortable with his elbow.

Samsung manager Park Jin-man said, "Baek Jung-hyun seems to need a break. "If the starting pitcher is uncomfortable, it is better to take him out of the entry once and make sure to treat him and upload it," he explained.

The KBO League SSG and Samsung match was held at SSG Landers Field in Incheon on the 23rd. Samsung starter Baek Jung-hyun allowed four runs from the first inning.

The 2023 KBO League KIA Tigers and Samsung Lions match was held at Daegu Samsung Lions Park on the 18th. Samsung Widener, who finished defense in the top of the second inning, is heading to the dugout.

To make matters worse, even new foreign Taylor Widener has been delayed due to symptoms of a cold.

Widener was suddenly replaced by Hong Jung-woo amid worsening conditions on the day ahead of his start against KT at KT Wiz Park in Suwon on the 31st. After checking his condition by this Sunday, he will schedule his appearance next week.

What is regrettable is that Choi Chae-heung is rarely on track.

In the match against NC on the 1st, his 10th appearance after being discharged from the military, he lost his 4th loss of the season after being substituted early after allowing 4 runs with 6 hits, 1 out, and 1 strikeout, including a home run in 2 innings. He has yet to report a victory after his return. In the match against KIA on the 19th, which was the latest appearance, he pitched well with six hits and two runs in six innings, raising expectations, but he bowed his head again in this game, which he took the mound in 13 days. Too long a break seems to have been poisoned. [스포츠토토](#)

The NC-Samsung match was held at Samsung Lions Park in Daegu on the 1st. Choi Chae-heung, who allowed three runs in the first inning, is frustrated.

Young ace Won Tae-in, who has been playing the starting rotation without any pain, will be away due to the transfer of the Asian Games national team.

an awkward starting lineup. The frustration is increasing in line with the situation in which the hot batters cooled down after a series of rain cancellations and slowed down for two consecutive games.

Samsung will play seven consecutive games next week, including doubleheaders, between Ulsan → Jamsil. The absence of starting pitchers and the deterioration of their condition are worrisome. The mystery of the bench's operation and adaptation have become important.
