SPELLING / TUHI Ā WHAKAHUA:

Essential Words - You have been given a current list of words to learn. There will be a spelling test with a partner of these words each week and these words will be used during the week as your **WORD WORK** task words. As you move up the lists of words, use your tracking sheet to cross off the lists of words learnt.

We will also provide extension spelling tasks linked to our class novel 'Wonder' each week if you wish to do these.

Spelling Extension – In LZ2, we like to hook our reader in and keep them entertained by making careful language choices. Can you think of 5 interesting words that you could use in your writing, and put them in a sentence to create a picture for the reader, instead of:

1. laughed
2. ran
3. sad
4. smiled
5. awesome

LZ2 IS AWESOME:

If you have something to share, send it to us via email and we will share it with you at the end of the day when we look at nominations.

We love hearing about your life outside of school!
