San Antonio Math Include

Provide Greater Access to STEM Education to All Students

James L.

Tutor
San Antonio Math Include

James is part of the Class of 2025 at Basis San Antonio Shavano. His favorite classes in school are AP Physics 1 and Pre-Calculus AB. In his free time he likes playing tennis, practicing karate, and participating in the TechnoWizards FTC robotics team. He also plays piano, loves learning computer science, and enjoys flying drones and building robots. He has always loved understanding the concepts and the reasoning as to why there is each step in math. He believes that SaMi is a great organization to spread STEM and is excited to contribute to this growing community.
