

# FRESHMEN | STAGE 1

## Naviance Student | Activity 5

### Roadtrip Nation

The previous activity (Career Interest Profiler) gave you some ideas of potential careers. Roadtrip Nation is a tool to allow you to view interviews with people that are actually working in professions you may want to explore. There are more than 3,500 full-length video interviews sharing the diverse personal stories of leaders who have turned their interests into their life's work.

1. Click on the link: [Roadtrip Nation](#)
2. Go to "Career Exploration" at the top in Green
3. Select "The Roadmap"
4. Follow the prompts: "What Interests you the Most", "What else interests you", and "What Lights you up at the core"
5. **You can also click on "Interests" at the top and pick videos from those professionals.**
6. You will then see your matches. These are videos of professionals who match your interests.  
**Please use your earbuds or headphones when listening to the videos!**
  - a. Some videos are locked and that is okay. Scroll down the page and you can learn more about each professional.
7. Watch at least two of the interviews that meet your interests. It is valuable to hear from actual professionals that share your similar interests.

As you continue working on your EDP, you are encouraged to revisit Roadtrip Nation at any time to view more interviews with professionals in your areas of interest.
