

Hoover Parent/Teacher Conferences

Our fall parent-teacher conferences will be on Wednesday, November 17, 2021 and Thursday, November 18. In an effort to accommodate parent schedules we are pleased to announce that we will have both in person and virtual conferences. Please refer to the boxes below for varied directions based on the type of conference.

Teacher Email Link<ul style="list-style-type: none">○ Email should include: Student name, parent name, phone number, and preferred time (see above)○ Email addresses for staff are listed on the Hoover website.

Phone Call or Remind Virtual Conferences: Parents if you have the Remind App on your phone, edit the settings to make sure you have the “receive calls on Remind” enabled for a teacher to contact you. Also, when you receive a call for conferences, it may come up on your caller ID as an out of state number, “Remind” or “Private Caller”. Many of our teachers will be calling from their classroom phones and it will come up as a “private number”

Virtual Google Meet Link Information: For staff who have chosen to conduct conferences via Google Meet, you will receive a Google Calendar invitation from that teacher. It will include the time and a link to the conference. Please use that link to access the meeting. Please exercise patience if a staff member is not there immediately as they navigate electronically between meetings.

Although conferences are held only these two days, we highly encourage parents to contact your child's teacher if you have academic concerns at any time. Staff will always make time for you through telephone conversations, [e-mail](#), or scheduled remote meetings. We also included staff emails at the bottom of this letter.

Thank you for your continued support as we navigate the current health and safety guidelines and face-to-face learning.

Educationally,
Mr. Hall & Mrs. Gurney
