Congratulations to all **SIXTEEN** of our K-6th youth basketball teams this year!!!

HIGHLIGHTS:

- The kindergarten girls showed so much improvement this season! At the start, they had players who had never played. By the end, the K girls were defending, making good passes, and doing a much better job dribbling all the way down the court! Coaches are so proud of their hard work and dedication to learning the game!
- The 4th grade boys had 11 kids turn out, a couple for the first time and finished with a 5-3 overall record.
- The 6th grade girls **won the championship!** Tremendous growth and improvement!
- The 3rd grade girls finished 2nd in their bracket for the tournament and made strong improvements between the beginning and end of the season. Great job ladies!
