

Rules for Grades 9 - 12

Digital Science STEM Fair Poster Artwork

- All drawings and photos must be created by the artist.
- Certificate of Originality must be signed. (see below)
- Teacher verification (Teachers can have students demo for them if they did this at home)
- Must give a brief description of the steps one took in creating the project (not simply "edited in Photoshop") Must be specific!

Verification of Originality

Title of Entry

Author's name (printed)

Teacher's name/signature (for verification of originality)

School

My teacher has explained to me the seriousness of plagiarism and the necessity that the work I submit to the Elko County STEM Fair be wholly my own. My original digital design entitled

was designed solely by me. It is not based on or adapted from another artist's work. It does not use the ideas of another artist.

Signed _____

All entries—must have the student's name, teacher, and school printed on the back of the digital design.
