

For Immediate Release - 5/26/23

Doctor Cahn Announces New Practice Location in Shallotte

Dr. Michael L. Cahn will be providing vein treatment and general surgery at 4503 Main Street, Shallotte, NC beginning June 1, 2023.

Shallotte, NC – May 26, 2023 - Michael L. Cahn, MD, FACS, DABVLM, is excited to announce the opening of his new vein treatment and general surgery practice in Shallotte, NC, located at 4503 Main Street, Floor 2, Shallotte, NC 28470 on June 1, 2023. Dr. Cahn will no longer be seeing patients at the former location on Long Beach Rd. in Southport. The new modern, state-of-the-art facility in Shallotte offers patients convenient access to innovative and comprehensive care in a patient-centered environment.

Dr. Cahn is a highly respected vein specialist and general surgeon with more than 20 years of experience in treating thousands of patients. His new practice in Shallotte offers a range of advanced, scarless treatments for varicose and spider veins, as well as outpatient, same-day surgical services for patients in the region.

"We are thrilled to open our new practice in Shallotte on June 1st, which allows us to serve patients from surrounding communities with the highest level of care," said Dr. Cahn. "Our focus is on providing a personal, patient-centered experience that prioritizes both the quality of treatment and patient satisfaction. Our new location in Shallotte allows for easy access for patients in New Hanover and Brunswick counties, as well as those in neighboring areas."

The state-of-the-art facility was the former location of Vein Clinics of America and has since been completely renovated since VCA's closure and departure from the area.

"It is my sincere desire to improve the quality of life for the patient's my team and I serve. As a true partner in health and wellness, I want our patient's to know they can trust that my team and I will take the time to get to know them, understand their lifestyle and provide them with the highest standard of professional care that they deserve."
