

September 2025 Registration for Low-Performing District & School Informational Webinars & Office Hours

With the release of the Low Performing State Designation lists for districts and schools, the DPI Office of District and School Support Services (ODSSS) will provide a webinar and Office Hours for leaders in these districts and/or schools, whether newly designated or continuing in the designation.

The webinars provide information for leaders concerning the policies, expectations, and deadlines for the Comprehensive Plan required for schools designated as Low-Performing and districts designated as Low-Performing, respectively as outlined in [S.L 115C-105.37](#) and [S.L 115C.39A](#).

The webinar registration information and Office Hours should be shared with principals of schools designated as Low-Performing and district personnel in districts designated as Low-Performing.

PLEASE NOTE: Two separate webinars will be held—one for schools designated as Low-Performing and one for districts designated as Low-Performing. Each webinar will be offered twice, but participants only need to attend once. Registration is limited to leaders of schools and districts with a Low-Performing designation.

The Office Hours will offer the opportunity for districts and schools to ask specific questions and receive direct clarification related to the Low-Performing designations.
