

Hello Haigh Families,

The Michigan Student Test of Educational Progress (M-STEP) testing window for this school year will be **April 10- May 19 for 4th and 5th Graders , and April 10- May 5 for 3rd graders.**

Students in grades 3-5th will take the English Language Arts and the Mathematics assessments, which will include both open-ended response and multiple choice questions. The Science and Social Studies tests will be given to our 5th grade students only. The Science and Social Studies assessments will only include multiple choice questions. Please see Haigh's M-STEP assessment schedule on the back of this paper.

Students are not permitted to have cellphones, smart watches or bluetooth headphones in the classroom during testing times. Students are asked to keep ALL electronic devices at home on testing days. If they do bring them to school they will have to store their devices in their lockers. The school is not responsible for electronic devices being stored in lockers. If a student is caught with an electronic device in the classroom during testing, this could put their test results as well as the test results of others in jeopardy. If your child has a wired/ "plug-in" pair of headphones, they may use them during testing.

The teachers and staff have been working so hard this year, and this is an opportunity for students to show off all of the great things that they have been learning!

We kindly ask for your support in ensuring that your child is ready to test on their scheduled day(s). Please review some simple things below that can help set up your child for success:

- Start your test day with a positive attitude!
- Get a good night's sleep the night before the test!
- Be on time for school in the morning!

Haigh Owls ' are ready to rock the MSTEP!

Thank you for all of your continued support!

Mrs. McIngvale

**** Please review the testing schedule on the back on this paper ****

Haigh Elementary M-Step Testing Schedule
