Medical Services provided at tournament:

Where will the medical staff be at the event:

1-Trainer will be available at Tournament Central on both the Womxn's and Men's Fields. They will have a golf cart to enable them to respond more quickly.

How can teams contact the medical staff (phone, radio)

Call Tournament Directors: Jeff "JJ" Jordan 214-676-1777, Becky Burnside 973-670-7821

Goto Tournament Central at either Field Complex, the Trainers will be there or Volunteers will have phone #'ers and walkie-talkies that they can use to contact the Trainers.

Send GroupMe to: https://groupme.com/join_group/86252675/x428Ggtk

How will event staff communicate weather, emergency & schedule changes to teams

Event Staff will use the Tournament GroupMe to communicate changes to teams.:

https://groupme.com/join_group/86252675/x428Ggtk

If lightning delay is imposed, Tournament Directors will use bullhorns to verbally advise players to seek shelter.

Any other relevant information specific to your tournament, if applicable (Facility specific weather policies)

NO Alcohol, Drugs, or Glass allowed on Fields. NO Dogs allowed on Fields.

USA Ultimate Weather Policy (Facility may have their own policy)

You can find all [Health, safety, and liability information here](#)

For Lightning:

Our [Lightning Policy](#) was updated in 2018. Please review it in its entirety, but the biggest change to the lightning policy is determining when you need to suspend activity and send people to shelter: **If you hear thunder OR your computer or app shows that lightning has struck within 10 miles, suspend activity. If you do not have access to a computer or app that shows the proximity of lightning strikes, suspend play if lightning is seen, even if you cannot hear thunder.**

For Extreme Heat and Cold:

Refer to [Medical Staff Requirements](#) above. When the Heat Index reaches 100F ([see NOAA/National Weather Service Heat Index Chart](#)), play must be suspended. In colder temperatures and/or wetter conditions, it is important to be cognizant of conditions conducive to hypothermia
