Thespian Tracker Cheat Sheet

Below is a chart that shows every PTC theater event and activity that you can write down on your point card to earn thespian points. Be honest about what you did and some quick reminders are…

- **Use only a blue point card if it's the first card you're filling out (after that use Yellow cards)**
- **Don't fill out the point values section on your cards, council will do that for you**
- **You can get points for seeing up to FOUR shows, each being worth .5 points**
- **Point cards for new inductees, honors & lettering points are due April 21st.**
- **You can view common point values on the thespian tab on the Ponderosa Theater website**
- **If you were inducted as a thespian in middle school, write that down as your first activity and get a free 5 points**
- **If you're not sure if you can earn thespian points for an event, add it anyway and council will figure it out for you :)**
