

Article 4: The Domus Seniorum of SimDemocracy

Sub-Article 1 - Establishment of The Domus Seniorum

§1. The Domus Seniorum shall be established in SimDemocracy as a ceremonial body composed of Veritas (Commended Citizens).

§2. The purpose of The Domus Seniorum is to provide a second opinion on legislation passed by the Senate.

§2.1 The Domus Seniorum shall have the power to approve or deny bills passed by the Senate.

Sub-Article 2 - Discussion and Approval Process

§1. The Domus Seniorum shall have 24 hours to discuss any bills passed by the Senate.

§1.1 Nominations are not to be under the scope of The Domus Seniorum.

§2. Discussion shall take place within a dedicated channel in The Senate category on Discord.

§2.1 The Leader of The Domus Seniorum, referred to as Praefectus, shall post the conclusion on why the bill was approved or denied on r/SimDemocracy as a statement.

§2.2 The Praefectus shall be chosen every two weeks within The Domus Seniorum channel following the Senate Speakership election timeframe.

§2.3 The Domus Seniorum channel shall be viewable by all citizens, but only Veritas shall be allowed to post messages and reactions.

Sub-Article 3 - Role of The Domus Seniorum

§1. The Domus Seniorum shall act as a ceremonial body and is expected to approve legislation passed by the Senate.

§2. However, The Domus Seniorum shall have the power to deny a bill if it poses a concern for the community.

§3. Veritas cannot be impeached, and it is a role for life.

§3.1 Veritas may be stripped of their title if they are subjected to a ban of over one month.

§3.2 An ex-Veritas may rejoin The Domus Seniorum if they receive a commendation again following the completion of their ban.
