

The information we collect and how we use it

Hobit technologies private Ltd ("HOBIT," the "Company," "we," "us," and "our") collects several types of information from and about users of our Services, including:

Your Personal Information("PI") - Personal Information is the information that can be associated with a specific person and could be used to identify that specific person whether from that data, or from the data and other information that we have, or is likely to have access to. We do not consider personal information to include information that has been made anonymous or aggregated so that it can no longer be used to identify a specific person, whether in combination with other information or otherwise.

Information is available to hobit when you access their application.

Information You Provide to Us

The information we collect on or through our Services may include:

Your account information: Your full name, email address, postal code, password and other information you may provide with your account, such as your gender, mobile phone number and website. Your profile picture that will be publicly displayed as part of your account profile. You may optionally provide us with this information through third-party sign-in services such as Facebook and Google Plus. In such cases, we fetch and store whatever information is made available to us by you through these sign-in services.

Your preferences: Your preferences and settings such as time zone and language.

Your transactional information: If you make reservations or purchases through our Services, we may collect and store information about you to process your requests and automatically complete forms for future transactions, including (but not limited to) your phone number, address, email, billing information and credit or payment card information. This information may be shared with third-parties which assist in processing and fulfilling your requests, including PCI compliant payment gateway processors. When you submit credit or payment card information, we encrypt the information using industry standard technologies, as further described below under "Payment Card Information." If you write reviews about businesses with which you conduct transactions through our Services, we may publicly display information that you transacted with those businesses.

We use the information you provide to us to enhance the functionality and improve the quality of our Services, and to personalize your experience while using our Services. We also use this information to display relevant advertising, provide support to you, communicate with you, and comply with our legal obligations.

Information about Your Friends

You have the option to request your friends to join the Services by providing their contact information. If you request a friend to join and connect with you on the Services, we will only use your friend's contact information to process your request.

Cookies and Other Electronic Tools

We, and third parties with whom we partner, may use cookies, pixel tags, web beacons, mobile device IDs, "flash cookies" and similar files or technologies to collect and store information in respect to your use of the Services and third party websites. A cookie is a small text file that is stored on your computer that enables us to recognize you (for example, as a registered user) when you visit our website, store your preferences and settings, enhance your experience by delivering content and advertising specific to your interests, perform research and analytics, track your use of our Services, and assist with security and administrative functions. Cookies may be persistent or stored only during an individual session.

Most browsers are set to automatically allow cookies. Please note it may be possible to disable some (but not all) cookies through your device or browser settings, but doing so may interfere with certain functionality on the Services. Major browsers provide users with various options when it comes to cookies. Users can usually set their browsers to block all third-party cookies (which are those set by third-party companies collecting information on websites operated by other companies), block all cookies (including first-party cookies such as the ones Zomato uses to collect search activity information about its users), or block specific cookies. To modify your cookie settings, please visit your browser's help settings. You will need to opt out on each browser and each device you use to access the Services. Flash cookies operate differently than browser cookies and cannot be removed or blocked via web browser settings. By using our Services with your browser set to accept cookies you are consenting to our use of cookies in the manner described in this section. For more information please read our Cookie Policy.

Third parties whose products or services are accessible or advertised through the Services, including social media services, may also use cookies or similar tools, and we advise you to check their privacy policies for information about their cookies and other practices. We do not control the practices of such partners and their privacy policies govern their interactions with you.

Information from Third Parties

We may collect, process and store your user ID associated with any social media account (such as your Facebook and Google account) that you use to sign into the Services or connect with or use with the Services. When you sign in to your account with your social media account information, or otherwise connect to your social media account with the Services, you consent to our collection, storage, and use, in accordance with this Privacy Policy, of the information that you make available to us through the social media interface. This could include, without limitation, any information that you have made public through your social media account, information that the social media service shares with us, or information that is disclosed during the sign-in process. Please see your social media provider's privacy policy and help center for more information about how they share information when you choose to connect your account.

We may also obtain information about you from third parties such as partners, marketers, third-party websites, and researchers, and combine that information with information which we collect from or about you.

Changes to this privacy policy

We reserve the right to amend this Privacy Policy from time to time to reflect changes in the law, our data collection and use practices, the features of our services, or advances in technology. Please check this page periodically for changes. Use of information we collect is subject to the Privacy Policy in effect at the time such information is used. If we make any material changes to this Privacy Policy, we will post the changes here. Please review the changes carefully. Your continued use of the Services following the posting of changes to this Privacy Policy will constitute your consent and acceptance of those changes.

Accessing & correcting your personal information

We will take reasonable steps to accurately record the personal information that you provide to us and any subsequent updates.

We encourage you to review, update, and correct the personal information that we maintain about you, and you may request that we delete personal information about you that is inaccurate, incomplete, or irrelevant for legitimate purposes, or are being processed in a way which infringes any applicable legal requirement.

Your right to review, update, correct, and delete your personal information may be limited, subject to the law of your jurisdiction:

If your requests are abusive or unreasonably excessive,
Where the rights or safety of another person or persons would be encroached upon, or
If the information or material you request relates to existing or anticipated legal proceedings between you and us, or providing access to you would prejudice negotiations between us or an investigation of possible unlawful activity. Your right to review, update, correct, and delete your information is subject to our records retention policies and applicable law, including any statutory retention requirements.
