We will have our 2nd Rise Above Day on Wednesday, February 7th. We use this 11:30 dismissal day to invite and host several different community members to come and talk about different areas of wellness. This year we are going to be providing more information to the students prior to the event. This will help you decide which sessions you would like to attend. - **Mrs. Conder**

Students who want to get a pie in the face for pi day, bring a pie, or memorize the digits of pi will need to sign up with Mrs. Banfield or Mrs. Tomlin. **March 14, 2024**
