A Thought to Ponder from The Urantia Book

Assessing Equity and Justice

“When in honest doubt about the equity and justice of material situations, let your decisions favor those who are in need, favor those who suffer the misfortune of undeserved hardships.”

[132:5.13](#)

評估平等和公正

「當你對物質境況的平等和公正真心存有疑慮時，當以有利於匱乏者的抉擇為先，惠及那些無端受苦者。」
