

Ohio Music Education Association
District 1 Honors Music Festival

Music Supporters,

The Ohio Music Education Association will host the **2025 OMEA District 1 Honors Music Festival** at the Stranahan Theater on Sunday, January 19, featuring approximately 600 middle school and high school band, choir and orchestra students from Northwest Ohio in concert. This festival is a wonderful opportunity for selected students to experience excellence by participating in a high caliber ensemble conducted by a special guest clinician.

We are inviting you or your organization to become a **Program Patron** to assist with the many expenses associated with the Honors Festival. For \$30, you or your organization's name will be recognized in the program at both the middle school and high school performances. We are asking for this donation to ensure a successful festival and, at the same time, promote your sponsorship.

To become a patron, please complete the Google Form and then send a check payable to *OMEA District 1 Treasurer* for \$30 to:

Ben Pack, OMEA D1 Honors Festival Tri-Chair
316 Rudolph Road
North Baltimore, OH 45872

Patrons, please provide your information here:

<https://forms.gle/HapvQCRvcXztXcVSA>

Please complete the Google form by **December 2** and have payment postmarked by **December 2**.

Due to the earlier timeline of the festival and shortened return time on the response, it will be fine if the check needs to be sent or received later than the date, depending on your booster meeting and approval process. We do trust that you will honor your patronage if an email is sent.

Thank you for your continued support of music education in Northwest Ohio.

Sincerely,

Ben Pack, Emily Meyerson, and Megan Hayes
OMEA District 1 Honors Festival, Tri-Chairs
