

Komatsu PC2000-8 Hydraulic Excavator

Workshop Service Manual.

This edition of service manual for Komatsu PC2000-8 Hydraulic Excavator was primarily published to be used by mechanical technicians who are already familiar with all service procedures relating to BRP products.

This manual covers the repair and overhaul of Komatsu PC2000-8 Hydraulic Excavator cars and assumes that the technician is fully conversant with general automobile practices. The repair procedures outlined in this manual emphasize the special aspects of the product. This will enable you to build and maintain a reputation of quality service.

The manual includes instructions on components manufactured for Komatsu PC2000-8 Hydraulic Excavator. For repairs of proprietary components the instructions of the respective component manufacturers are included in this manual. The purpose behind incorporating these instructions in this manual is to

enable technicians to understand their functions properly and thus judge the performance of the car as a whole.

The manual provides the most reliable information.

The aim of this manual is to help you get the best value from your Komatsu PC2000-8 Hydraulic Excavator.

This manual includes many of the specifications and procedures that were available in an authorized Komatsu PC2000-8 Hydraulic Excavator dealer service department.
