

Nominating Committee report for Interim Body Meeting 4-26-2025

Nominating Committee met via email and Zoom. In communication were Tech Support Edward Pearce (Rich Square), Judy Reece (Friendship), Huey Marshall (Wilmington), Marguerite Dingman (Durham), Tom Bertrand (Virginia Beach), Richard Miller (West Grove), and Convener Susan Lees (Fayetteville).

Committee affirmed that the separation of Registrar from Hospitality Committee was a misunderstanding somewhere which has since been resolved. The description is:

- The Hospitality Committee plans accommodations and oversees registration for yearly meeting sessions, coordinating with the host facility, and provides assistance with any accommodation problems during yearly meeting sessions. In consultation with the host facility and the yearly meeting treasurer, the committee budgets the costs of participants to yearly meeting sessions and presents these to Interim Body Meeting for approval.

Since we met at Fall IBM 2024, Amanda Crew (Fayetteville) and Andrew Wright (Durham) have been added to the 2025 Hospitality Committee. If this body approves, we will ask the YM website administrator to update the website to add their names to the Hospitality Committee, as noted in the Hospitality Report.
