Privacy Policy

Last Updated: October 2025

Thank you for using the mobile applications created by **Nina Elizabeth Dannies** (“I,” “me,” or “my”). This Privacy Policy explains what information my apps collect, how it is used, and how it is protected.

1. Information Collected

My Apps may collect certain types of data to improve functionality and user experience. This can include approximate location, how the App is used, performance data, and other analytics-related information.

I do **not** collect personally identifiable information such as your name, physical address, email, or phone number.

Mixpanel:

I use Mixpanel to analyze user interaction within my Apps. Only non-personal data is recorded and it helps me enhance the overall App experience. Your personal information is never sold or shared. Data may only be released if required by law (such as a court request) or if there is a business transfer like a merger.

2. Non-Personal Information

Along with usage details, I may gather technical information such as device model, operating system version, device identifiers, and general usage metrics. This helps me maintain and improve the performance of my Apps.

3. Analytics & Third-Party Services

Some Apps may use third-party analytics providers. These services only process non-personal information and are used solely to improve app performance and user experience. I do not share personal data with outside parties unless I receive your explicit permission.

4. Children’s Privacy

Protecting children's information is very important to me. Some Apps are not intended for users under 13, while others are specifically designed for kids. Any Apps aimed at children follow all relevant privacy regulations.

I do not knowingly collect personal information from children under 13 without parental consent. If you believe a child's information may have been collected unintentionally, please contact me and I will remove it immediately.

5. Data Security

I take appropriate measures to safeguard your information from unauthorized access, misuse, or loss. All protection methods follow current industry standards.

6. Changes to This Policy

This Privacy Policy may be updated periodically. Any modifications will take effect once the updated version is published in the Apps or on related websites. Please review the policy from time to time.

7. Contact Details

If you have questions or concerns regarding this Privacy Policy, you may contact me at:
nindan182@yahoo.com

By using my Apps, you acknowledge and accept the practices described in this Privacy Policy. If you disagree with these terms, please discontinue use of the Apps.
