

Energies on Duty

Name: _____

Score: _____

Direction: Can you still recall what happened last week, yesterday, or earlier this day? Think of any instances where light, sound, heat, and electricity become important to you or how these help you in any way. Be guided by the example below.

Example:

Energy on duty	Source	How this becomes/became helpful to you
Light	Flashlight	It helped me yesterday find my missing toy under my bed.

Now, it's your turn to appreciate energies on duty!

Energy on duty	Source	How this becomes/became helpful to you
Light		
Sound		
Heat		
Electricity
