

Earning a Grade

Science Letter Grade Scale and Description

Letter Grade	Percentage	Description
A+	101% +	Excellent - Student consistently and independently meets the standard in almost all assessments and assignments. Student consistently and independently demonstrates proficiency in subject/grade level concepts and skills and demonstrates advanced application/analysis when the opportunity exists. Work is neat, on time and appears professional.
A	90 - 100	
B	80 - 89	Very Good - Student meets the standard independently in most assessments and assignments. Student demonstrates proficiency in subject/grade level concepts and skills. Work is fairly neat, on time and appears fairly professional.
C	70 - 79	Student meets the standard with teacher support. The student is able to demonstrate understanding and application of most of the critical subject/grade level skills and concepts. Work is legible. Work may be late.
D	60 - 69	Student demonstrates limited understanding and application of subject/grade level skills and content; the student needs more instruction and/or practice to demonstrate proficiency. Work is sloppy and/or late.
F	<59	Student demonstrates a lack of understanding of subject/grade level skills and content; or the student has shown insufficient evidence to determine understanding of skills and content due, in part, to missing work .
