

# Privacy Policy

Amrit Duwal built the Laughable Joke app as a free app. This service is provided at no cost and is intended for use as is.

This page explains how information is collected, used, and shared when you use this app.

---

## Information Collection and Use

The app itself does not ask users to provide personal information. However, the app uses third-party advertising services that may collect certain information automatically, such as:

- Device information
- IP address
- Advertising ID (AAID / IDFA)
- App usage data

This information is used to show ads and improve the app.

---

## Third-Party Services

The app uses the following third-party services:

- Appodeal (ad mediation)
- Google AdMob
- Google Play Services

These services may collect and use information according to their own privacy policies:

- Appodeal: <https://www.appodeal.com/privacy-policy>
  - Google: <https://policies.google.com/privacy>
-

## **GDPR & User Consent (EU Users)**

If you are located in the European Economic Area (EEA), the app will ask for your consent before showing personalized ads, in accordance with GDPR regulations.

You can accept or reject personalized ads at any time.

---

## **Children's Privacy**

This app is not intended for children under the age of 13. No personal information is knowingly collected from children.

---

## **Security**

I value your trust, but please note that no method of electronic storage or transmission over the internet is 100% secure.

---

## **Changes to This Privacy Policy**

This Privacy Policy may be updated from time to time. Any changes will be posted on this page.

Effective date: 2020-05-23
