

## 8th Grade Literature and Art Unit

Students will understand the similarities between thoughts and vision by the creation of literature inspired artwork.

### Poetic Rap Figurative Sculpture

**Objective:** After comparing rap and poetry, students will create a wire figurative sculpture that communicates the theme of a self-composed rap song.

### Altered Book

**Objective:** Student will demonstrate a deeper level of understanding of literature by altering a book to depict a scene within their favorite book.

### Book Cover Ceiling Tile Murals

**Objective:** Students will collaborate on the creative of book themed ceiling tile murals to promote reading campus wide.
