Questions – Organization

1. Where does your organization operate? How long has it operated on this site? (1 paragraph outlining the name of the areas where the organization operates and how long it has been there)
2. What are the organization's main areas of operation? (1-2 paragraphs outlining the organization's main area(s) of focus)
3. What key activities does the organization undertake? (1-3 paragraphs of typical activities undertaken by the organization within the location of operation). Please include any activities related to food systems, food security, nutrition, health, climate change, agroecology, agroforestry, and rangeland management.
4. Capacity and experience in public/community engagement. Please highlight any public/community engagement activities undertaken, including activities undertaken in collaboration with Visibilize4ClimateAction project partners, in 1-3 paragraphs.
5. What kinds of public engagement activities does the organization propose to undertake in the current project? *(1-3 paragraphs describing proposed public engagement activities that the organization will undertake and how these activities are likely to create impact. Proposed activities should be described in relation to the Visibilize4ClimateAction Project described above)*
