Privacy Policy for CallXHub

Effective Date: 27/12/2024

KDC LABS ("we," "our," or "us") built the CallXHub app as a commercial application. This Privacy Policy is designed to inform users about how we collect, use, and protect personal information when using our application.

1. Information We Collect

Personal Data:

- We do not collect personal information such as name, email, phone number, or address.

Sensitive Data:

- Our app may request access to your camera, storage and contacts for functionality purposes.

Payment Information:

- We do not collect payment information or process payments through third-party systems.

Third-Party Services:

- We do not use third-party tools or SDKs (e.g., Google Analytics, Firebase, or AdMob).
-

2. How We Use Your Information

- We do not collect or store any user data for analytics, advertising, personalization, or payments.
 - Data is stored only locally within the app for functionality and is not shared with third parties.
-

3. Data Sharing

- We do not share any user data with third parties.
 - All data accessed by the app is used solely for the app's core functionality.
-

4. Data Storage and Security

- Any data stored is kept within the app's local storage.
 - No user data is stored on external servers or cloud platforms.
 - We take reasonable measures to protect data from unauthorized access.
-

5. User Rights

User Consent:

- We explicitly request user consent before accessing sensitive data such as the camera, microphone, location, or contacts.

Access, Update, and Deletion Requests:

- Users can request access, updates, or deletion of their data by contacting us at chamathpk1991@gmail.com.
-

6. Compliance with Google Play Policies

- Our app complies with Google Play's Data Safety and Children's Online Privacy Protection Act (COPPA) policies.
-

7. Children's Privacy

- Our app is intended for use by children under 13 years old.
- We do not collect any personal or sensitive information from children.
- Parents or guardians can request the deletion of any data collected via the contact email provided.

8. Offline Access

- The app does **not** work offline and does **not** collect data without internet access.
-

9. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. We encourage users to review this page periodically for any changes. Any updates will be communicated through the app.

10. Contact Us
