

GOOP T.O.S

I expect you to follow this T.O.S and rules if you order a commission or get art from me. If you do not follow these rules the result will end in a private dm.

-By commissioning me please note I have full rights to post my artwork on my socials and with that I also don't have to post the art if I don't want to.

If you need me to wait before posting we can communicate through DM's.

-You may use my art as Pfp, banners, etc or post it on any platform IF given proper credit if you fail to do so I will DM.

TRELLO

-you are recommended to join my trello! It is not required but can help to keep up with your commission status, even then I will do updates with you.

The updates I normally give are, Sketch, lineart, and then flat colors and after that I send the finished piece for approval.

REFUNDS/CANCEL

-You may only cancel a commission from me BEFORE payment and sketch go through, when I give the sketch to the commissioner that's when you pay you can only cancel a commission BEFORE the sketch and payment otherwise you will not get money back.

-The only time a refund might happen is if I have personal reasons to do so, even then I'll talk with you about it before doing the refund.

PAYMENT PLANS AND HOLDS.

-only time I accept payment plans are for commissions that are \$90 and over. Even then I will need to be paid half upfront and the other half at specified time.

-I am okay with holding commission slots, however that is only on special occasions that me and the commissioner talk about privately.

CONTACTS

-please make sure when commissioning me you communicate with me on a platform that you check regularly so me and you can chat about the commission.

-if needed I will also make sure I give you all my contacts and info if needed so you can contact me about your commission.

COMMUNICATION

-I expect me and the commissioner to be able to communicate whenever. I am very flexible with my commissions and the commissioners needs so don't be afraid to ask for any changes!
