Happy Pride!

I hope this guide helps make Seattle Pride events feel more accessible for you and your people. Wishing you a safe and fun Pride.

Thank you to everyone who posted their accessibility information and/or responded to my information request. Your work to fully welcome people with all access needs is apparent and deeply appreciated.

Sapphic Seattle : June 23, 24, 26

6/23 - Isle of Sappho at Supernova

The venue has an ADA accessible entrance and bathroom for GA. Unfortunately the VIP section has a flight of stairs making it inaccessible. Complimentary earbuds are provided by the venue for noise protection.

6/24 - Sapphic Pride at Chop Suey

From Chop Suey: The venue is accessible to people with disabilities. There are two ramps in the venue. One from the entrance that leads to the box office, and our two bar areas. Another that leads into the main showroom floor, and the bathrooms which both have accessible stalls. There is a lounge next to the main bar that is up a step, and therefore inaccessible for some folks with mobility aids. We can provide wheelchair accessible seating if you email info@chopsuey.com in advance. If you require any other disability related accommodations, please email us in advance and we will do our best to accommodate you.

Starting May 1st Chop Suey will follow King County COVID health guidelines. Please check individual event listings for Covid-19 vaccination requirements. We may ask for proof of vaccination to enter at the request of the performing artist. Masks are suggested to wear at all times unless actively eating or drinking. Requirements are subject to change based on city and state safety mandates.

6/26 - Y2K edition of Sapphic Pride at Neighbors Nightclub

The venue has an ADA accessible entrance and bathroom. The VIP section is up a flight of stairs, so it is not accessible.

From Sapphic Seattle: If there is anyone with specific accessibility concerns, we are happy to answer any and all questions through Instagram direct messages.

Timbre Room is ADA accessible with a ramp to the front door/bar area, and access to the back door/dance area through the patio area, and 2 accessible gender-neutral restrooms available.

Cherry is ADA accessible and has access to the back door/dance area through a separate entrance on Minor St. ADA entrance to the patio is through the main entrance. Two closed accessible gender-neutral restrooms are available and 2 open gender-neutral stalled bathrooms / urinals.

For any questions about safety & accessibility, please email info@kremwerk.com
