Thanks to everyone who made it out to the annual **TOPPS Ice Cream Social** at Broad Ripple Park on July 27. It was the perfect (steamy) day for a cold treat and we were thrilled to see so many familiar faces and welcome several new ones. We owe a giant **THANK YOU** to BRICS for donating the ice cream and a big shout out to the many hands who put this event together. What a fantastic way to kick off the year!
