

The future of the Ecuadorian Rock Genre. (IG POST)

The sound of a guitar solo is going through your ears,

Your heart is pumped up , goosebumps on your forearms.

It is the kind of soundtrack that you would hear in the Marvel Movies .

Countless hours were spent composing the melody

which will get you fired to get the most out of your day .

Chico del Portico has produced what most rock fans have been craving for

[Click here to listen to the true testament of rock music](#)

Yellow = Disrupt

Intrigue - Blue

Click - Green .

Chico del Portico is the name of the band by the way .
