

SL: Not Yet Decided

Hi Lindsey,

I like how you offer your audience a free 7-day nutrition plan to kick off their weight loss journey. Excellent first impressions like this can lead to long-term relationships with your audience.

I had some free time last night, so I put together a few compelling Instagram posts that would be sure to grab the attention of Instagram scrollers and bring their eyes to your one-month nutrition program.

Would you like me to ship them to your inbox?

Kind regards,

Brandon Fitz
