On behalf of the Pennbrook Home & School Association, welcome back to school. We are looking forward to a great year at PB!

Our goal is to work with the teachers and staff to create an environment where our children can have the best middle school experience possible. Pennbrook's website (www.npenn.org) is a great source for information ranging from daily announcements to individual club/sports to departmental information. H&S can also be found on the Pennbrook site by clicking on the subheading of the "Our School" tab.

In the past, our H&S has funded many important things at Pennbrook that the district cannot supply including courtyard projects, science equipment, and ceiling fans for all classrooms as well as the cafeteria.

This year our fundraising and participation focus will be on the following activities:

- Student Awards and Scholarships
- Teacher and Staff Appreciation throughout the year
- 9th Grade Formal and refreshments for various club activities/ceremonies
- Career Day
- School supplies and much more!

All of this is only possible because of the support of our families. We ask that you start your support of Pennbrook through your **annual direct donation**. Your support will allow us to continue to fund programs that benefit our students and our school. Our suggested amount is \$30 per student, but any donation amount is always appreciated.

Thank you in advance for your continued support of Pennbrook and the Home & School Association!
