## Artist/Craftsperson Application

**Please write 2-3 sentences about your background & professional experience (where you are from, how you became an artist/craftsperson, etc (not a formal CV)**

**Please write a 2-3 sentence 'Artist Statement' about your practice (medium, technique, inspirations, etc):**

**Please write 200-500 words about your approach to the theme 'Listen to the Land Speak' and the new work you plan to submit:**

***Please note this section is worth 20 out of a maximum of 30 points for the overall application.***

### **Images required**

- 3-5 high-quality images showing existing work that best represents your output, between 1-5MB in size, for use in the selection process and the production of a catalogue.
- A high-quality photo of yourself (if we don't already have one) preferably at work in your studio/exhibition/en plein air

***NB: Please save ONLY as a Word document (not PDF) and attach and return your completed form and separately attached images via email to [info@westcorkcreates.com](mailto:info@westcorkcreates.com).***

*The committee reserves the right to refuse work that has been shown in previous shows locally, as well as work that does not meet the required standard or fit with the theme. The curator will decide how many pieces of work are displayed, depending on space limitations and how the different artists' work fits together.*

***The selection committee's decision is final. It will not be possible to respond to queries relating to non-selection.***
