How does the schedule work?

Our classes/programs/playdates/photoshoots are all private with 1-5 students at a time.

For this reason, your booking is made like a reservation and is by appointment only. You may choose to join for a specific month and can register for as many hours or days as would match your child's age group or family's schedule.

Listed here are the [seasonal dates](#) and time slots (below) that are available from Mondays-Saturdays that you can inquire about. You may join with your own group of 5 or we can add you to an existing group filled with students from our community.
