

EXPLORING THE SITE FOR AN OVERVIEW

[Link back](#)

Easy pick, jump to: [Selected Pieces - Life Altering, Overviews, Programs, Tools...](#)

It is generally a good idea to gain an overview of what a resource provides, so that one can decide what is, and is not, worthwhile and see what you might want to target for harvesting. (Taking an "orientation overview" before doing anything will help you see how everything fits together and will make you a more effective learner!)
