

**Malcolm341 Script Packs**  
**END USER LICENSE AGREEMENT**

If you are employed by a studio and working on site or remotely please adhere to the Studio/Commercial License Agreement:

**Studio/Commercial License Agreement - 1 Seat Required Per User**

Use the scripts on as many commercial projects as you like, but do not share the scripts between users, each person needs to buy a license for the scripts they use and that license should not be transferred to another person unless the current license holder is no longer employed by the studio.

If you are a student, academic institution, hobbyist, or working as a freelancer meaning you are not employed by a studio long term and working a temporary contract please adhere to the Freelance/Academic License Agreement:

**Freelance/Academic License Agreement - 1 Seat Required Per User**

Use on as many freelance projects as you like, but do not share the scripts between users, each person needs to buy a license for the scripts they use and that license should not be transferred to another person.
