SL: Jeffery, Quick Question?

Hi Jeffrey,

Your video, "10 Worst Cologne Mistakes Men Make," made me understand the difference between applying the fragrance to my skin and clothes. Thanks for sharing!

By the way, I have already subscribed to your email list. I was just wondering when I could expect to receive your emails.

Best regards,

Rodrigo

Thank you for the reply.

I agree that emails can be an effective instrument for encouraging people to make purchases.

Your virtual consultation is the perfect tool for busy men trying to secure their paycheck and who don't have time for in-person meetings.

If you're interested, I could send you a three-email sequence that could increase your service's sales fivefold.

Have a nice day,

Rodrigo

I've attached it below.

It includes a bonus email.

This one is designed to catch the eye of men who don't even have the time to read emails in their inboxes.

If you find value in that document, let's jump into a quick Zoom call to chat and perhaps work together.

Take care,

Rodrigo António
