

HSF Annecy Car Pool

People with car

Mike Hildreth. Will arrive in Annecy late afternoon on Monday (probably not useful for car pooling; not leaving from Geneva), back to Geneva at 13:00 on Friday (3 free spots).

Rob Kutschke - will arrive at Geneva airport 6:55 PM on Sunday and drive to Annecy. Will return to Geneva airport on Friday leaving Annecy by 2:00 PM. Likely room for 1 person.

- Mark Neubauer: Any chance I could get a ride with you from CERN to Annecy on Sunday evening? I'm completely flexible on the time.
- Rob K: OK.
- Ok, we agreed that Rob will pick up Mark at CERN Entrance B on Sunday Evening sometime after he arrives at GVA. Mark will be in his office at 104-R-C30 and then wait outside gate. Below shows CERN Main Entrance (Entrance B):

Graeme Stewart, should have room for +3 people (with modest luggage)

- Monday at 11h to travel to Annecy from CERN. Return to CERN after the evening reception, 20h. Taking: Outbound (meet main building steps), Pat Skubic, Gordon Watts, Paul Laycock; Inbound, Ken Bloom, Paul Laycock
- Tuesday leave Thoiry around 7h, could pickup at CERN, etc. Will return to CERN/Thoiry, probably after dinner.
- Wednesday leave Thoiry around 7h, could pickup at CERN, etc. Will return to CERN/Thoiry at 17h30.

- Thursday leave Thoiry around 7h, could pickup at CERN, etc. Will return to CERN/Thoiry after workshop dinner.

Pere Mato - have place for 2 people. Leaving on Monday from CERN mid morning to arrive at 11 at LAPP. Friday will leave early (mid morning) to catch a plane beginning of the afternoon.

Current riders (to Annecy): Matthew Feickert

I am interested in the return.

Makoto Asai (return from Annecy to CERN)

Oliver Keeble - Friday - will go back to CERN after the meeting.

Markus Klute - leaving CERN at ~11am Monday morning. Have space for 2.

People looking for a ride

Peter Elmer - to Annecy mid-morning Monday, to Geneva at 13:00 on Friday

Daniel Elvira - from Annecy to CERN on Friday 30, when the workshop ends

Ken Bloom - anyone else have to come back to Geneva Monday night? In that unlikely event, I would happily take a ride....

Pat Skubic - to Annecy mid-morning Monday; to Geneva at 13:00 on Friday

Matt Bellis - FROM WORKSHOP: To Geneva, Thursday evening, with 2 other students (3 in total).

Valentin Kuznetsov - to Geneva on Saturday morning.

Mark Neubauer - Needs a ride FROM WORKSHOP to either CERN or GVA.

Specifically, from Annecy either to

(1) CERN anytime on Friday afternoon, or

(2) GVA on Saturday, departing Annecy anytime before 6pm

Bo Jayatilaka - if anyone is returning to Geneva on Thursday the 29th (around lunchtime), I could use a ride

Meghan Kane - (1) **GVA->Annecy** Mon 6/26 night; (2) **Annecy->GVA** anytime Fri 6/30

Jim Pivarski - to Annecy anytime on Sunday 6/25; to Geneva early morning Saturday 7/1.

Gordon Watts (gwatts@uw.edu) Monday morning, return Friday afternoon

Harvey Newman (newman@hep.caltech.edu)

I won't need a ride today; unfortunately I could not make it to Annecy today

Makoto Asai (asal@slac.stanford.edu)

- returning to CERN on Friday ---- taking Pere's car
